THE FOLLOWING IS A FREE PROGRAM THAT YOU MAY ENROLL IN TO AID FELLOW MEMBERS IN NEED

TO ALL GOOD SAMARITANS

An ongoing program can only continue to better serve you if input is received as to the program's progress. With this in mind, we'd like to remind you that we always want to hear from you when you use the Good Samaritan Handbook, whether you are the one offering assistance or receiving it.

Suggestions to make the program more useful (and therefore beneficial) are encouraged. And, we certainly want to give credit where it's due, and recognize those who have gone out of their way to help a fellow motorcyclist. Won't you please keep us up-to-date on your experiences with TMRA's Good Samaritan Program?

THE PROGRAM

Published annually in the February issue of Daimler's Folly, TMRA's Good Samaritan Handbook is one of the most valuable benefits to your TMRA membership. This pull-out booklet lists those who have volunteered to help a fellow biker in the event he or she is stranded, or otherwise in need of assistance. The comforts and necessities of a phone, food, tools, a trailer, a place to lay your head, or contact with a dealer can be invaluable when difficulties occur.

TMRA's Good Samaritan Program, initiated in 1991 by TMRA State Referee Bob Armstrong, is fortunate to have on board

a sincere and dedicated group of volunteers statewide. Won't you please volunteer? It costs nothing to register, and the satisfaction in giving something back to society is immeasurable.

Simply fill out the form below, and mail it in. We will get you registered and published in the next available issue of the Good Samaritan Handbook. Use this for address changes and updates, too (if you are currently registered).
